While Being Shaken

Δ4, Δ5

3, Filling the
Space Between
Heaven & Earth

Δ3:

When I am being shared by the repeated
yin lines;

When I am being shared and am drowning in
the space between repeating yin lines;

I am using firmness to place myself in
movement;

I am possessing the root way of making progress;
I am changing from drowning in laziness of
yin lines, and I am brightening as I leave the mud.

DS: I am the ruler of Mastering Tools while Being Shaken.

I am following what is fitting,
in both corresponding to others and
in altering myself to the principles of heaven
and earth.

I am being at the center, and
I am not losing the virtue of centrality.

I am planning,
I am being apprehensive, and
I am seeking out others.

I am guarding myself, and
I am I am not losing my centrality.

When I am Mastering Tools while being Shaken, and
when every movement places me in peril,
then I am maintaining my centrality
in a way that keeps me from
becoming excessively firm or
excessively soft.

I am not being deprived of the virtues
that I am possessing.
